UNITED STATES GOVERNMENT

Memorandum

TO : SAC, NEW ORLEANS (100-16601) DATE: 4/1/64

FROM : Supvr. LEON M. GASKILL

SUBJECT: LEE HARVEY OSWALD, aka
IS-R-CUBA

At 7:05 p.m., 3/31/64, Supervisor ANDY DECKER of the Bureau telephonically referred to New Orleans teletype, 3/31/64, 3:49 p.m. He requested in regard to question 15 to be advised why the information obtained from Mrs. JENNIE RODGERS was concealed in one New Orleans report and was not concealed in the other. He stated that questions 19, 20, and 25 according to the New Orleans teletype were to be handled separately and he requested that the answers to these questions be obtained and furnished to the Bureau on the night of 3/31/64 along with the information concerning Mrs. JENNIE RODGERS inasmuch as the Bureau had a crew of men working to obtain the desired information for Mr. HOOVER on the morning of 4/1/64.

At 7:38 p.m. DECKER was telephonically advised that when SA DE BRUEYS submitted his report concerning the Fair Play for Cuba Committee on 10/25/63 the report was submitted in SA KAACK's absence. DE BRUEYS recognized that the information coming from Mrs. JENNIE RODGERS came from a radio station and, therefore, a question of concealment of her identity arose. Since SA KAACK was absent, SA DE BRUEYS resolved the question of concealment of identity in favor of concealing Mrs. RODGERS' identity. DECKER advised that this information was sufficient for the Bureau's purposes.

In regard to questions 19, 20, and 25, DECKER was advised that New Orleans had already prepared a teletype which was about to be run off for the Bureau containing the answers to these questions. DECKER stated it was not necessary to read this teletype to the Bureau as long as the teletype was sent immediately.

Clerk OTIS PAGE sent the teletype to the Bureau immediately after I had completed my call with DECKER.
